Principal's Corner

I am continually impressed with the amount of parent involvement that Chapman School demonstrates. Parent involvement happens at Chapman during parent group events, as classroom volunteers, drivers for sporting events, and is evident by the attendance at site council meetings. Despite the busy schedule that envelops our lives, these parents help valiantly. If you are interested in getting involved, I encourage you to speak with your child's teacher, Debbie, or myself. For the folks that do volunteer your time, thank you. You are what helps make our school special.

If you need to reach me, my email address is cwoodhead@kpbsd.k12.ak.us. My cell number is 907-625-1358. You can also join us on Facebook at *Chapman School Anchor Point Alaska*.

Thank you for all you do,

REMINDER

With the dark mornings, and snowy weather we ask that you exercise extreme caution when dropping off, or picking up students. Watch for students who are exiting or getting into vehicles.

Also, pay extra attention for those students waiting at bus stops and students who walk to and from school each day.

Thank you!
