Chapman and Ninilchik school start time poll

March 30, 2012

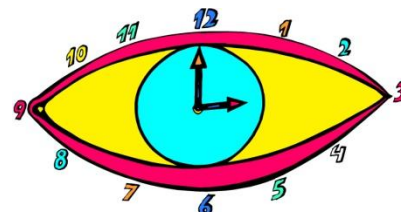

To parents and guardians of Chapman and Ninilchik students, and KPBSD employees:

Your opinion is valuable. Please thoughtfully respond by April 13 to give your school start time preference in an online KPBSD poll: <http://bit.ly/SchoolStartTimePoll>

Initial feedback indicated a 50/50 split in opinion at Ninilchik School. This poll asks all families and staff from these two schools to state their opinion.

Note: If double-tier busing were to take effect, a one hour and twenty minute difference between the two school start and end times is needed.

The online poll will close on Friday, April 13, at 5:00 PM.

Who can take this poll?

- One vote may be cast for each student currently enrolled at either Chapman School or Ninilchik School. (Families may vote for each enrolled student.)
- Every KPBSD employee at these two schools may vote.
- Your last name is required in order to preserve the integrity of the poll, offer the ability to confirm voters, and avoid duplicate voting.
- Results will be made public.

Please [take the poll](#). Thank you for your time and opinion.
