Principal's Corner

Attendance is important. For nearly every grade at Chapman, if a student is more than 5 minutes late, they are missing core reading instruction. So far this year, attendance and tardies have been pretty good. Please continue to get your child(ren) to school on time. For those parents who bring and pickup students at their child's classroom door, please observe our school start and end times. The first bell rings at 8:30. This is a time when teachers are welcoming their students and getting them started for the day. At the other end of the day, the last bell rings at 3:10. Please allow teachers to have students for the full school day. Please also try and find appropriate times to talk with teachers. Often times, what happens is, multiple parents want to talk to teachers as they are transitioning kids into or out of the classroom. I want parents to have access to Chapman teachers. Please help make sure that teachers have optimal contact time with your child(ren) by setting up appointments, meeting after students are dismissed, or through telephone or electronic means. Not only would I appreciate it, but I know our teachers would too.

Feel free to stop by and visit with me anytime. If you need to reach me, my email address is cwoodhead@kpbsd.k12.ak.us. My cell number is 907-625-1358. You can also join us on Facebook at *Chapman School Anchor Point Alaska*.

Sincerely,
Conrad A. Woodhead
Conrad Woodhead
Principal, Chapman School
