Battle of the Books!

What is Battle of the Books? you may ask... Well, it is a competition where Alaskan students from all over the state in grades K-12th grade read a WHOLE BUNCH of books. At the 7th and 8th grade level they read as many as 13-15 books! The books that they read range in ability level, but on average these books are slightly above the grade level in terms of difficulty. In February, teams then compete against each other by answering questions. The questions are developed by a committee of Alaskan librarians. Whichever team answers the most questions correctly, along with knowing the author of each book, wins the competition. Each grade level is awarded a plaque if they win at the district level. and they then move on to compete at the state level.

We would like to thank the coaches who dedicate their time and energy reading with the students and quizzing them on the books they have read.

- 3rd/4th Coach: Linda Brady
- 5th/6th Coach: Lila Little
- 7th/8th Coach: Mary Simonsen
