Imagination Library Silent Auction

Saturday, February 22nd—Beginning at 10am

Chapman School Gym

The Imagination library mails a free, high quality, age appropriate, brand new book each month to children from birth to age 5 enrolled in the program. Dolly Parton launched this program in 1996 to benefit the children of her home county in East Tennessee. Dolly's vision was to foster a love of reading among her county's preschool children and their families by providing them with books. She wanted children to be excited about books and to feel the magic that books can create. Dolly wanted to insure that children would have books regardless of their family income. Research shows that children with books at home are more enthusiastic about reading and are often perceived by parents to be better prepared for kindergarten. Dolly Parton's Imagination Library is now available all over the USA, Canada, and the United Kingdom.

Dolly is looking for communities that are willing to partner with her to support the program locally. The Anchor Point Imagination Library must raise funds to help cover the cost of the books and postage. We are grateful for the financial support from many donors who want to spark a lifelong love of books. Anchor Point Imagination Library has also received generous support from Best Beginnings and the Dollywood Foundation as well as from local businesses such as Dibble Creek Rock, HEA, Homer Elks, Marquis Enterprises, and from a few local families. A donation of \$30 will enable a child to receive a brand new book in the mail once a month for one year. With \$150 you will enhance the life of a child from birth to age 5, or five children for one year. If you would like to enroll you child in the Anchor Point Imagination Library, please pick up an enrollment form at Chapman.

Please help support this wonderful program by stopping by the silent auction held on Saturday, Feb. 22nd at the Chapman gym from 11-1 during the Pinewood Derby.
