Principal's Corner

As we enter the fourth quarter of this school year, and notice what a busy time of year it is, I'm reminded of all the good things that are happening at our school. I'm thankful for everyone who helps make this a positive place for students to learn. Our size and devoted stakeholders helps to ensure our students get exactly what they need to become lifelong learners. Thank you for your help in this.

State AMP testing awaits us in April for 3rd—8th graders, and they not only replace the old SBA tests, they also look entirely different. These tests are computer based and will cover ELA (English/Language Arts) and MA (Math). Similar to the SBAs, it is important that your child be in school during their designated testing day. This is especially important because many teachers have exciting projects and field trips planned throughout the testing window and if your student misses their window, they may miss out on one of those opportunities because of the makeup schedule. Each testing day will start promptly at 9:00 am.

	Tuesday	Wednesday	Thursday	Friday
Week 1 (3/30-4/2)	-	-	-	-
Week 2 (4/6-4/10)	3/4 ELA	Makeup	3/4 MA	Makeup
Week 3 (4/13-4/16)	7/8 ELA	Makeup	7/8 MA	Makeup
Week 4 (4/20-4/24)	5/6 ELA	Makeup	5/6 MA	Makeup
Week 5 (4/27-5/1)	Makeup	Makeup	Makeup	Makeup

DIAL screening for incoming pre-k students is set for April 14. If you have a child who will be 4 years old by September 1, 2015, or know of a child in our area who will be, please encourage them to sign their child up at Chapman School to be screened. This is important even if they are unsure the child will go to pre-k at Chapman, as it gives each parent important information about the development of their child.

Kindergarten Graduation and 8th Grade promotion are just around the corner. This year, these events will be a combined celebration and take place on May 19th at 1:30 pm. We will provide more information about this as we get close to the date. This is the time of year that teachers have many fun activities planned. It is also the time of year that students begin to test boundaries. Please help remind your student that in order to participate in these end of the year activities, they will be expected to maintain good academic standing and behavior expectations. Eligibility expectations will be followed for student participation of all activities, including field trips.

Again, thank you for all you do for our school. I encourage each of you to get involved at Chapman or volunteer in your child's class. If there is ever anything I can do to help, please do not hesitate to call me or stop by and visit with me anytime. If you need to reach me, my email address is cwoodhead@kpbsd.k12.ak.us. My cell number is 907-625-1358 if you ever need to get a hold of me after hours. You can also *like* us on Facebook at *Chapman School Anchor Point Alaska*.

Sincerely,

Conrad A. Woodhead

Conrad Woodhead
Principal, Chapman School
