Principal's Corner

I would like to thank you as parents for helping us work towards reaching our attendance goals this year. Last year, an attendance rate of 92.60% kept us from being recognized as a 5 star school. So far this year, with your help, our attendance is around 93.75%. Ideally, we would be above 96%. This may not seem like that big of improvement from last year, however, it may prove to be the difference between being recognized as a 4 star school and the 5 star school I believe we are. Please continue to help your students to school on time each day.

In addition, our third through eighth grade teachers are working on testing strategies and making the final push to cover content before April's SBAs. What can you do to help make sure this year's testing season is another success? Work with your student on any test prep their teacher sends home with them. Make sure they read every day. Make sure you get them in a routine of going to bed at a reasonable time. Make sure they have a healthy diet and limit sugar intake. Make sure your child is not absent or tardy. Building in these routines will help us prepare your child going into testing season. To promote student attendance during testing, students who are on time each day of testing grade 3-8 will be going ice skating in Homer on Friday, April 4th.

Feel free to stop by and visit with me anytime. If you need to reach me, my email address is cwoodhead@kpbsd.k12.ak.us. My cell number is 907-625-1358. You can also join us on Facebook at *Chapman School* *Anchor Point Alaska*.

Thank you for all you do.
Sincerely,

Conrad A. Woodhead

Conrad Woodhead
Principal, Chapman School
