## Principal's Corner

The end of the year is here and I'm proud of the progress we've made as a school. With all of the learning opportunities being provided by our staff this time of year, I'm happy to see our students participating in the many field trips and presentations the end of the year brings. Thank you to all of our staff for providing these opportunities to our students and for the many volunteers who have helped make these opportunities possible.

Our overall attendance continues to be good with 93% again for this year. The state recognizes schools for their attendance at the 93% mark, and again at 96%. Looking ahead to next year, I'd like to challenge all of us who have children in our school to shoot for the 96% mark. This will continue to help us strive to maintain our 5 Star status, as recognized by the state.

### ***Kindergarten Graduation and 8<sup>th</sup> Grade Promotion***

This year, these two events will be held together on Tuesday, May 19<sup>th</sup> at 1:30 in the gym. I'm looking forward to this being a school-wide event so that our other students can participate in this celebration. Immediately after the ceremony, there will be a reception for the Kindergarten and 8th grade students and their families.

I look forward to seeing you at the end of the year BBQ on Wednesday, the 20<sup>th</sup> at 11:40. Again, thank you for all you do for our school. Thank you for another wonderful year.
