Week of Nov. 11-15, 2019

## Last Chance Holiday Bazaar

By Jaxon

The Bazaar is a place where a person can get gifts for Christmas, and other stuff like homemade vanilla. It is at Chapman School. It is on December 21st, from 10:00 am. to 4:00 pm. It is a place where people have cool things to sell. Also, Santa will be there, so bring your kids for a picture. Heidi Adams is the one who runs it, and she has her own both and sells vanilla. There will be a large assortment of food and crafts for sale. That is all about it that I can say. You should go and see it for yourself.

## Adult Volleyball

Javan Akee and Devon Hawkins

First we asked Mary Simonsen, "When is Adult Volleyball?" Then she answered, "Adult Volleyball is October-April every Wednesday from 7:00 pm to 9:00 pm."

Next we asked, "What is Adult Volleyball for?" she answered, "It is for a fundraiser, and it is also for adults to come and have fun!"

"Do you play with them?" we asked. She answered: "Yes I do, it's for all adults to have fun."

Then we asked, "How long has this been going on?" She answered, "About 6 years."

"Where is it?" We asked. She answered: "It's in the gym at Chapman school."

"How many people usually attend?" We asked. She answered, "Usually about 12."

"All adult community members are welcome".

Ms. Simonsen says, "If anyone has questions they can ask me."

## Math update

Milleah

In this week of math, we are going to do subtracting, adding, multiplying, and dividing decimals. Before we are going to do all that stuff, we will do a math test to review what we've done in the last quarter.

# Book Fair

By: Alana & Willow

The Book Fair has ended for the year, so we are giving some facts about the Book Fair. We decided to ask some employees from the school about the Book Fair. There were over 50 book display boxes filled with books! Along with 12 tables filled with books and fun things. The Book Fair sold hundreds of books this year. Isn't that amazing? We actually asked the librarian these questions, and we want to thank her for setting up the Book Fair. We asked her if it was hard putting the Book Fair up and she said, "It can be hard to display all the books by myself, but I had a lot of help from Miss Lori, and other volunteers, that made it easier to accomplish". Miss Mackenzie's favorite book is "Pig the Pug" by Aaron Blabey. She also liked "Pumpkins Story" by Aubre Andrus. The Fair sold more books than toys, (aka school supplies). The most popular book was "Game Changer" by Tommy Greenwald, which was a popular book for middle schoolers, and it sold out quickly. "A Dog's Way Home" by W.Bruce Cameron, was another popular book that sold out as well. The school's Book Fair sold over \$5,000 dollars worth of books and supplies which is the schools record. Well, that's all the facts we have for this book fair.

## Boys basketball game 2

By: Landyn

This was the second game for boys basketball, this was Chapman **V.S** CIA. This game started off very slow, two to two. Then it sped up when the CIA players started to make more shots. Then, Chapman made a come back when they started getting back in the game. In the last quarter, they really made a come back. The players' heads were in the game, but in the end, CIA won and Chapman lost.

## Girls basketball game

ABCS Vs. Chapman

|        |          |         |          |
|--------|----------|---------|----------|
| ABCS   |          | Chapman |          |
| Points |          | Points  |          |
| 23 /8  | 31 total | 12/11   | 23 total |

In all, Chapman School got 23 points, and ABCS got 31 points. I think the reason ABCS won is because the ABCS stayed together and worked as a team throughout the game. Chapman did great and they tried their best but they just couldn't make it.

## Girls basketball game

By Javan

|           |       |               |       |
|-----------|-------|---------------|-------|
| Chapman   |       | Homer Huskies |       |
| Points    | Fouls | Points        | Fouls |
| 14        | 3     | 7             | 5     |
| Half time |       |               |       |
| Chapman   |       | Homer Huskies |       |
| Points    | Fouls | Points        | Fouls |
| 12        | 5     | 13            | 3     |

In all Chapman got 35 points and 8 fouls. Huskies got 20 points and 8 fouls. The reason Chapman won was because they worked as a team, made some great passes, and shots! Huskies tried their best, the second half it was almost a tie, but Chapman was determined to win!
