Kenai Peninsula Borough School District

Dear Chapman Community Family,

December is here and the joy of the Holidays is in full-swing! As each of our families prepares for the festive season, we would like to thank the many volunteers and community members who take the time and energy to volunteer in our school, classrooms, parent-groups, fund-raising opportunities, and as part of our youth activities. Having such an amazing community full of supportive and active parents and community members makes our school a busy, positive, and inviting place for our students and patrons. Thank you for all you do each and every day in making our school a very special place to be!

We would also like to thank the Chapman School Student Council, Ms. Tina Knutson, and Ms. McKenzie Henley for all their work in organizing the recent Canned Food Drive. If you and others have the opportunity to continue in the spirit of giving, we would invite you to partner with one of the many local agencies providing food, clothes, and toys to many in need this season. Please keep the Great Land Church Food Bank, the Anchor Point VFW, and the Anchor Point Helping Hands in mind this season, the work and services they provide in our community are invaluable.

The Holiday Season invariably and rightly ends up centering around our kids..and why shouldn't it? The sights, sounds, and yes, anticipation of soon-to-be-had presents make this season a special and exciting one for many. During the holiday busyness, and especially as we near the start of the Holiday Break, I would like to thank and remind all our parents who pick-up students in the afternoon for their diligence in slowing down and driving safely during both morning-drop-off and afternoon-pick-up times. We often have little ones loose and walking/running around the parking lot, and we thank each driver for looking out for these little ones who may not always be super aware of their surroundings or the dangers around them!

Thank you, Chapman families, for a wonderful first semester. We sincerely hope you all enjoy the Holiday break and we are excited to continue working with your children next Semester. Remember, our first school-day back from the break is Tuesday, January 7th, we'll see you then!
