

CHAPMAN SCHOOL NEWS

Kenai Peninsula Borough School District

October 16, 2014

PO Box 1109
Anchor Point, AK 99556
907-235-8671

Principal's Corner

As the first quarter wraps up, it's hard to believe we're a quarter of the way through the school year. The year has begun smoothly, and I thank all of you for your continued support of our school and teachers.

Lots is happening when you enter our building. Painters continue to paint the main hallway and entrance interior of our building. The much needed facelift, overdue, but greatly appreciated. Our middle school woodshop is now complete and Mr. Sharp's classes are beginning to set up that space for student use. I'm excited that we will now be able to offer woodshop classes to our middle school students.

I want to congratulate the following students for being elected to our student council. I look forward to working with them and Mrs. Simondsen throughout the year.

President	Julianna Johnson	8th Grade Representative	Garrett Cooper
Vice President	Allison Wells	7th Grade Representative	Shelly Johnson
Secretary	Ginger Inman	6th Grade Representative	Kalib Pruitt
Treasurer	Luke Clutts	5th Grade Representative	Kimberly Abbott

I'd also like to thank the Chapman Parent Group for their efforts in planning the Halloween carnival. This year's carnival is on Thursday, October 30th, from 6:00pm-8:00pm.

Thank you for all you do. I look forward to seeing you all for parent/teacher conferences. Please feel free to stop by and visit with me anytime. If you need to reach me, my email address is: cwoodhead@kpbsd.k12.ak.us. My cell number is 907-625-1358. You can also join us on Facebook at *Chapman School Anchor Point Alaska*.

Sincerely,

Conrad A. Woodhead

Please send a note to school with your child if there is a change in their regular after school routine. This includes children that are staying after school for activities, riding a different bus, getting off at a stop that is not their regular stop, being picked up by a friend's parents or walking. If you forget to send a note with your child and need to call the school, please call before 2:30pm. Thank you!

Cold weather is here! Appropriate clothing is needed to keep your child warm and dry. School policy states that all children will go outside at recess unless the chill factor exceeds -10 degrees or it's raining significantly.

REMINDER

As the days get shorter and mornings begin to get darker watch for students walking to school and those waiting at bus stops. Mornings and afternoons can be hectic in the parking lot, please watch for students exiting or walking to vehicles.

- Friday—Spicy Grilled Salmon w/Rice

KPBSD Launches Mobile App for Android and iPhone

You can find

Kenai Peninsula Borough SD

in the app store.

The KPBSD App is an all-in-one information source for parents, students, staff and community.

Our app was developed specifically to provide direct access to the district's most sought after information in the most convenient format—your mobile device. Free, you can find **Kenai Peninsula Borough SD** in the app store. New school and district features will be added throughout the fall of 2014.

Recognizing trends in social technology and the unprecedented use of smartphones and tablet devices, KPBSD elected to become part of the mobile sphere to better connect and collaborate with the majority of our school families, staff, students, and community members. We are one of the first school districts in Alaska to offer a mobile app for our parents and community.

The KPBSD App provides password-protected access for student and parents to see live grade and attendance information in PowerSchool, allowing parents and students to stay up to date on student progress at any time, from anywhere. From the app, users can also set their own grade and assignment requirements, a feature which allows a parent or student to be immediately alerted through a push notification if a student score or grade drops below that self-selected threshold.

Other app features include:

- District and school news, allowing the user to select which schools and district news feeds they want to subscribe to
- Sports scores, schedules, and links to sports sites
- Calendar information for schools and district events, including the ability to add events from school calendars to the user's device calendar
- Push notifications for the school district and schools to send out instant alerts to the user's mobile device
- School and district directories and maps
- Contact information for teachers, administrators, and other staff
- Links to the KPBSD and school social media sites, such as Facebook, Twitter and YouTube

Superintendent updates with the latest communications from your district leaders

Nurse's Notes

October is National Children's Health Month. Join me as we embark on a month long journey dedicated to promoting the health of your children. The CDC, Centers of Disease Control and Prevention, recommended a month be dedicated to help teach parents about the prevention of childhood illnesses and diseases, and injuries. The CDC recommends the following for children and parents;

Children should:

- Learn to wash their hands to prevent infections.
- Eat breakfast before going to school.
- Not smoke and avoid the smoke of others.
- Exercise, play safely, and use protective gear.

Parents should

- Read to and be actively involved with their children.
- Get their children vaccinated.
- Get their children health-care insurance.
- Check for health hazards in their home and eliminate them.
- Place children weighing less than 80 lbs in child safety seats and all others in safety belts in rear seats of automobiles.
- Seek medical advice if their child is slow to learn.
- Avoid tobacco and drug use and limit alcohol use.

Additionally, flu season is quickly approaching. Washing our hands, getting adequate sleep, keeping our hands away from our faces, and coughing/sneezing into our sleeves are simple ways to help prevent the spread of illness.

YOU CAN HELP CHAPMAN SCHOOL EARN DONATIONS JUST BY SHOPPING WITH YOUR FRED MEYER REWARDS CARD!

Fred Meyer is donating \$2.5 million per year to non-profits in Alaska, Idaho, Oregon and Washington, based on where their customers tell them to give. Here's how the program works:

Sign up for the Community Rewards program by linking your Fred Meyer Rewards Card to Chapman School at www.fredmeyer.com/communityrewards. You can search for us by our name or by our non-profit number 83697.

Then, every time you shop and use your Rewards Card, you are helping Chapman School earn a donation!

You still earn your Rewards Points, Fuel Points, and Rebates, just as you do today.

If you do not have a Rewards Card, they are available at the Customer Service desk of any Fred Meyer store.

For more information, please visit www.fredmeyer.com/communityrewards.
